

Hillsdale Business Association

“Connecting Community and Commerce”

In the ***2009 Downtown Hillsdale Blueprint Plan*** the need for an organization that could serve as the marketing voice of Downtown Hillsdale was listed as a priority on the 1st Year Implementation List. Based upon this recommendation and the already ongoing efforts of a small group of Downtown Hillsdale business owners working to improve the overall business climate, the Hillsdale Business Association (HBA) was formed.

The HBA is an all volunteer organization comprised of local business owners whose primary purpose is to stimulate trade and improve business conditions in Downtown Hillsdale and the surrounding trade area through partnership and networking between our Members and other community organizations. Membership in the HBA is open to any business located within Hillsdale County. All types of businesses (retail, service, restaurant, lending, commercial) are encouraged to join and home based business owners are welcome, too.

If you would like to know more about becoming a member of the HBA, you are encouraged to attend a monthly membership meeting held the 1st Wednesday of each month at 7:45 am at the Hillsdale Community Library, 11 E. Bacon Street. Or you can download a membership form or contact one of the HBA officers for more information.

Kathy Newell
The Blossom Shop
President
437-4160

Dawn Bugbee
The Victorian Rose
Vice President
437-9760
